The “Excommunication” that affected for a long time the Italian Government, was so removed by **H. H. Pio XI** and the fascism had so a legality look. All people was set in fascist organizations; the “Balilla’s”name became popular and was given to a famous Fiat car to indicate the harmony between industry and military regime.

In foreign policy, **Mussolini** began an aggressive behaviour against the Nations’ Society directives. He conquered the Ethiopia’s territories with purpose to show Italy as a strong and powerful nation. He supported major general Franco with Germany during Spanish civil war by force of arms in the foundation of military dictatorship.

**A TOUS LES FRANÇAIS**  
*La France a perdu une bataille!  
Mais la France n'a pas perdu la guerre!*

Des gouvernants de rencontre ont pu capituler, cédant à la panique, oubliant l'honneur, livrant le pays à la servitude. Cependant, rien n'est perdu!

Rien n'est perdu, parce que cette guerre est une guerre mondiale. Dans l'univers libre, des forces immenses n'ont pas encore donné. Un jour, ces forces écraseront l'ennemi. Il faut que la France, ce jour-là, soit présente à la victoire. Alors, elle retrouvera sa liberté et sa grandeur. Tel est mon but, mon seul but!

Voilà pourquoi je convie tous les Français, où qu'ils se trouvent, à s'unir à moi dans l'action, dans le sacrifice et dans l'espérance.

Notre patrie est en péril de mort.  
Luttons tous pour la sauver!

De Gaulle published the historic appeal from London on 18<sup>th</sup> June 1940, **To all French People** and broadcasted by BBC, in which he called to arms French people not to give the Native Land to the enemy: "France has lost a battle not the war". The Italian heroism acts were countless, so that they were forced to yield after thirteen days of battle without drawing back at all on 11<sup>th</sup> November 1942, and they got the honour of war. The English BBC, while giving the news, remarked the event with these words: "The Folgore division's survivors have surrendered to Allies, after having fought more than human possibilities". The 8<sup>th</sup> Armed Force's attack obliged the Axis' forces to give ground up to Tunisia. The 3<sup>rd</sup> S. Marco battalion's navy-men lowered the last Italian flag in African territories with great honour on May 1943.

The Allies' landing in Sicily and the signature of Cassibile's (SR) armistice on 3<sup>rd</sup> September 1943 crumbled the Fascist regime.
